

## **Section E** **Outreach in Neighborhoods**

[Click on the [Lay Ministries Resource Handbook](#) for articles on how parishes and lay groups have become active in their churches and neighborhoods in ministering to the poor, persons in hospitals and institutions, as well as to other families in their communities.]

## **Section F** **Mission and Witness**

[Click on the [Lay Ministries Resource Handbook](#) for articles on how you can bring new life to your parish through a variety of programs and activities for reaching out and developing relationships and acts of Christian service and witness in your cities and neighborhoods.]
