Fill in the missing words by looking through the Scripture story, John 11: 1-43.

## Activity Instructions

Students will find the words to complete each numbered statement within the Scripture passage used in this lesson: John 11:1-43.

From each word, they will take a letter that is marked on either side by stars.

*For example: Bethany was a \_\_\_\_\_ \* \_\_\_\_ \* \_\_\_\_\_ where Jesus visited friends.*

Students will find the word "village" in the reading. Since the letter "l" is marked with stars on either side, they will pull out that letter.

When they go through all eleven statements, they will have the letters (not completely in order, but close) to make up the command, "LAZARUS, COME \_\_\_\_\_ OUT" which Jesus says in verse 43. The only letter not found in the reading is "z" and for that statement students are directed to Chapter 10 verse 40, where it is found.
